Objective: Talk to Yazara (If informed Yazara) According to Yazara, Shatul will have a difficult time accepting Ushruka or Laurig as chief. Either chief will attend the King's moot - Ushruka is already a firm supporter of King Kurog, whereas Laurig is open to new ideas and is willing to listen. Immediate expansion is imperative for this incomplete article! While it contains cursory information, large sections are left blank, lists are left unfinished, and tables are missing data entries. Notes You can choose to tell Yazara that Ushraka is really the contender, or lie and continue the pretense that it is Ulghesh. The page is being both written and checked. Objective: Talk to Yazara (If replaced Ushruka's blade) Laurig is the new chief of Shatul. She asked me to slip a flawed blade to the weakest contender. Lvl 3-15: (((PC-3)×8)+73)×1.0Lvl 16+: (((PC-16)×4)+169)×1.0 A Question of Succession is a quest available in The Elder Scrolls Online: Orsinium. The quest marker directs you to follow the victor out through the front doors of the Bloody Knoll, but the victor remains inside the knoll through a door in a hallway to the right of the main room. She asked me to tell her grandmother Yazara that she is headed to the Bloody Knoll to fight Laurig. Quest Stages[edit] A Question of Succession Finishes Quest Journal Entry Laurig, one of Shatul's warriors, wants me to help him track down the giant responsible for the chief's injuries. Objective: Hide Before the Duelists Arrive Shatul has a new chief. I should speak with him. If you are looking for THE FASTEST, PROVEN leveling path to hit level 50, then this Elder Scrolls Online Guide offered by Killer Guides is inarguably a must-read! It comes with a step-by-step leveling guide, proven class builds, dungeon walkthroughs, crafting and gold making strategies and more. Objective: Find UlgheshHINT: Talk to Ushruka "Ulghesh" is really Ushruka, the exiled daughter of Chief Ogzor. Objective: Replace Laurig or Ushruka's Sword I placed the flawed blade. I should speak with Yazara about what I witnessed in the Bloody Knoll. Objective: Find a Snow TruffleHINT: Guide Scamper to a Snow Truffle With the snow truffle in hand, Ulghesh and I should return to Shatul. I should inform Yazara. The requirements are to tell Yazara the truth. Objective: Talk to Yazara According to Yazara, Shatul will have a difficult time accepting Ushruka or Laurig as chief. Once I wake it, I need to work with Ulghesh to guide Scamper as it hunts for a snow truffle. If you are an Orc you can become chief yourself by telling Yazara that you want to contend and then killing the winner of the duel. I should hide and see who is victorious. Objective: Kill Urgkail the Cleaver [?] Objective: Return to Chief Ogzor's Tent Laurig has something to say about the fight with Urgkail the Cleaver. I should take it. Laurig thinks this will both pull the clan together and show him as a good candidate to become the new chief. All users are welcome to make changes to the page. Evaluate the other contender for chief. If you make a change that is relevant to the project, please update this template accordingly, and make sure you have observed the project guidelines. I should find him near Shatul. Quick Walkthrough[edit] Kill Urgkail the Cleaver with Laurig.
